

## PATRICK JEFFERSON DENNIS MEMORIAL SCHOLARSHIP

Every day we witness examples of 'bad things happening to good people' and remain mystified by what appears to be random and senseless acts. On July 27<sup>th</sup> 2018, Patrick Jefferson Dennis renewed our mortality and passed peacefully, succumbing to injuries sustained in an auto accident at the tender age of 17. Patrick was a rising senior at Harnett Central High School where he was an exceptional student and athlete. He was an avid hunter and fisherman though football was his primary passion. He was admired and respected by both his coaches and football brothers. Patrick had an incredible work ethic and was very goal oriented with a limitless future. He lived everyday of his short life to the fullest, always with a contagious smile and positive attitude.

Those that knew Patrick described him as being 'The most genuine, caring, kindest and funniest person you'll ever meet' further affirming the special person he was and positive influence he had on the lives he touched. He dreamed of attending Clemson University fall 2019. Though Patrick is and will always be missed by many, he will forever live on in the hearts that loved and cherished the incredible young man that he was.
