

HIGHLAND ELEMENTARY SEPTEMBER NEWSLETTER

10 September 2019

Dear HES Community,

We have had a fantastic start to the 2019-2020 school year. With your gracious support, we were able to offer many students and teachers school supplies. Thank you parents and community members for helping our children.

Recently new school report card grades were released in North Carolina. HES is proud to share that we **met** academic growth for the 18-19 school year. In fact, we were just .3 points away from exceeding academic growth. We are currently ranked 3rd out of all elementary schools in Harnett County with a letter grade of a high C. Our goal for the 19-20 school year is to improve core instruction for all students and reach a B letter grade. We cannot do this without your help! One easy way you can partner with us is by attending our upcoming curriculum night on Thursday, October 3, 2019.

Teachers will share academic expectations for the year and practical ways you can support student learning at home.

Finally, I would like to remind you of some exciting upcoming events at HES. Please consider volunteering. Together we are fulfilling our mission of inspiring and preparing all children to make a positive impact on their families, communities, and world.

Upcoming Events: Sept. 11- Patriot Day (wear red, white & blue); Sept. 17- BOG Test for third graders; Sept. 25- Progress Reports; Sept. 27- Full Day for students (originally an early release day); Sept. 27-Oct. 5- Book Fair; Oct. 3- Curriculum Night & Extended Book Fair

Best,

Jennifer Spivey, Ed.D.
Principal
