

SCRIBENROLL TASKS

1) Parents complete an enrollment application.

2) Parents are then redirected to their Family Dashboard where they see a message letting them know they have tasks to complete.

3) Parents clicks on the 'Complete Open Tasks' button which takes them to a page where they will select the student they would like to complete these tasks (forms) for.

You must select a student to begin working tasks.

4) Parent clicks the arrows in the student box, which opens the 'task view' showing the OPEN TASKS and COMPLETED TASKS.

5) Parent then clicks on the task to view the description and a button that will allow them to complete the form.

6) Parent then clicks 'Work Task' to navigate to the form.
